

ABSTRACT COMPANY IS INCORPORATED

Letters Patent Issued to Alachua
County Abstract Company.

COMPANY ENJOYS PROSPERITY

Has Always Enjoyed a Good Business,
But Has Changed Management Ow-
ing to Circumstances Over Which Na-
ture Had No Control—The Officers.

Letters Patent have been issued by
the State of Florida, through the proper
channels, to the Alachua County Ab-
stract Company, with the result that
that corporation is now a full-fledged
corporation, doing business under the
prescribed laws of the State of Florida.
This does not mean that the Alachua
County Abstract Company is going into
the corporation business like some of
the fellows we read about, but it means
a mutual benefit and protection to the
owners and to the public—a benefit
which must naturally accrue to both.

The Alachua County Abstract Com-
pany has been here for several years.
It was established many years ago, and
has passed through several hands and
several managements—not because it
has not been a profitable investment
and furnished profitable information,
but simply by conditions and circum-
stances arising from time to time which
meant a change. B. R. Colson, the
present secretary and treasurer, ab-
sorbed the business at the death of W. C.
Jackson, with whom he was associated
at that time, and has always conducted
the business and affairs in a manner
commendable. The stock in trade of
the company is a large and carefully
prepared set of abstract books, from
which valuable items of information to
those interested have been secured,
and which will in future serve to pro-
tect the prospective buyer, as well as
the present owner, from incorrectness
in the matter of land records.

The present officers of the company
are P. M. Colson, president; J. W.
Blanding, vice-president; B. R. Col-
son, secretary and treasurer, and man-
ager. The latter is a young man per-
fectly capable of handling the busi-
ness entrusted to him, and the new
company will no doubt be enabled, by
its corporate prestige, to consider-
ably increase its prestige and business.

Cheated Death.

Kidney trouble often ends fatally,
but by choosing the right medicine E.
H. Wolfe of Bear Grove, Iowa, cheated
death. He says: "Two years ago I
had kidney trouble, which caused me
great pain, suffering and anxiety, but
I took Electric Bitters, which effected
a complete cure. I have also found
them of great benefit in general debi-
lity and nerve trouble, and keep
them constantly on hand, since, as I
find they have no equal." All drug-
gists guarantee them at 50c.

An Exhibition Drill.

The cadets of East Florida Seminary
participated in an exhibition drill for
the benefit of the Colfax Rebekah de-
gree and visiting Rebekahs Tuesday
afternoon, and acquitted themselves
in a manner most becoming. Those
witnessing the drill were well pleased.

number of prominent members of the
order throughout the State are here as
delegates to the Grand Lodge of Odd
Fellows, have made a special endeavor
to induce a full attendance at the

regular weekly meeting night.

Among the most prominent members
of the order here is J. L. Rankin of
Palatka, State Master of Forms, and
one of the most widely known and
most prominent secret society men in
the State. There are many other

Men Past Sixty in Danger.

More than half of mankind over
sixty years of age suffer from kidney
and bladder disorders, usually enlarge-
ment of prostate gland. This is both
painful and dangerous, and Foley's
Kidney Cure should be taken at the
first sign of danger, as it corrects ir-
regularities and has cured many old
men of this disease. Mr. Rodney Bur-
nett, Rock Port, Mo., writes: "I suffered
with enlarged prostate gland and
kidney trouble for years and after
taking two bottles of Foley's Kidney
Cure I feel better than I have for
twenty years, although I am now 91
years old." Sold by J. W. McCollum
& Co.

Mr. McFarlane Here.

Among the prominent Floridians
visiting this city Tuesday was Hon. M.
B. McFarlane of Tampa, collector of
customs for that port.

Mr. McFarlane, aside from being a
friend personally of Hon. Walter G.
Robinson and Henry S. Chubb, is quite
an agreeable fellow, which makes him
"good" as far as popularity is con-
cerned here. Another thing that
makes him popular in Gainesville is
the fact that he never fails to compli-
ment the city and its people, and de-
clares that he believes Gainesville is
the best interior city in the State. All
this tends to make the gentleman pop-
ular with the masses of the city; but
he is so clever and so conservative
otherwise that those who know him
cannot help but express the highest
admiration for him and his excellent
character as a man and a gentleman.

Mr. McFarlane departed yesterday
for his home in Tampa. He is an en-
thusiastic Odd Fellow, and while here
enjoyed the hospitality of his comrades
of the Grand Lodge, to the member-
ship of which he is entitled.

breakfast, will keep you in robust
health—fit you to ward off disease. It

1902: "I have used Herbine, and find
it the best medicine for constipation
and liver troubles. It does all you
claim for it. I highly recommend it."

Retail Coal Dealers to Meet.

New York, April 18—A meeting of re-
tail coal dealers throughout the coun-
try has been called May 19 in this city
beyond the trying to secure lower
to form a defensive alliance against
the mine owners and coal distributors.
The avowed purpose of the move-
ment is to devise methods for the
quicker delivery of coal by the opera-
tors and its better preparation for
shipment. It is said the new associa-
tion will not attempt to regulate prices,
beyond the trying to secure lower
freight rate concessions from the car-
rying roads.

Last Hope Vanished.

When leading physicians said that
W. M. Smith of Pekin, Ia., had in-
curable consumption, his last hope van-
ished; but Dr. King's New Discovery
for consumption, coughs and colds
kept him out of his grave. He says:
"This great specific completely cured
me, and saved my life. Since then I
have used it for over 10 years, and con-
sider it a marvelous throat and lung
cure." Strictly scientific cure for
coughs, sore throats or colds; sure pre-
